25X1	martial law was declared in Dresden. Soviet troops and VP dispersed demonstrators without using weapons. The strike started in Niedersedlitz in the Sachsenwald. All enterprises joined in the strike. It was noted that only VP officers and no VP personnel were seen in the town.	
25X1	1. Comment. The information contains some indications for the assumed presence at Koenigsbrueck of the unidentified artillery brigade of the First Gds Mecz Army.	
25X1	2. Comment. the elements of the 25X llth Gds Tank Div which employed in 25	
	been received on employment of troops in Pirna. The armored scout cars possibly went not farther than Nickern where numerous armored scout cars had been observed.	X1 X1
25X1	3. Comment. The AA guns, which left for Chemnitz, belonged to the 6th Gds AAA Div (US).
